## Greetings from **KMCH**

On behalf of the **Organizing Committee**, it is our privilege to extend a warm welcome to the **3rd Annual Conference of the Association of Radiation Therapy Technologists of Tamil Nadu**, scheduled to be held on **16 November 2025** at **Kovai Medical Center and Hospital, Coimbatore**.

This year's theme, **Embracing Changes with Patient Positioning Strategies**, highlights the vital role of innovation and adaptability in advancing radiation oncology practices. The conference holds significant importance for Radiotherapy technologists and Healthcare professionals committed to excellence in patient care and clinical outcomes.

We are honored to host a distinguished panel of speakers, each a recognized expert in their field, who will share invaluable insights, experiences, and knowledge of emerging trends and innovations shaping the future of radiation therapy.

The Organizing Committee has carefully curated an exceptional agenda designed to inspire young technologists and students, foster **professional growth**, and ultimately enhance the standard of **Radiation Oncology Care** across our region.

We warmly invite you to be part of this enriching experience and assure you of an intellectually stimulating and rewarding event. Together, let us make this conference a resounding success.
